The study is designed to advance with the support of an initial group of subscribers. Early subscription provides priority access to shape the study scope and to benefit from discounted rates. By joining early, your organization will be part of a select group helping define the key questions driving this analysis.

### About Forest Sector Advisors

Forest Sector Advisors (FSA) brings world-class, boardroom-caliber expertise to the natural capital/forest sector and its value chains. With a team of senior advisors, each with decades of global experience, we deliver high-impact advisory services to clients investing, operating, and innovating in forestry, wood products, ESG, surfacing materials, bio-based chemicals, and natural capital markets.
